

Rachel Gribbin grew up in the construction industry, watching her father develop both commercial and residential construction & design from the early 80's. She holds a B.A. from Towson University in secondary education and facilitation and made her transition into the salon and spa industry in 2003. Rachel began her foundation as a salon director and held positions in medi spa and fitness management, before founding Define Hair & Skin in 2016.

Rachel has always had a passion for both residential and commercial decorating from her first home build in 2005 to her latest remodel in 2023. She did the joint design and sole decorating for Define Hair's original loft space, their 4600 sq. ft. expansion in 2019, and their 2500 sq. ft addition in 2021. As a salon and spa owner, Rachel has a deep understanding of both salon and spa aesthetics but also functionality. Her goal is to create a space that is not just gorgeous, but maximizes square footage, encourages sales opportunities, and allows flexibility for the business' growth.
